

2018 Current Topics in Histocompatibility and Transplantation Registration Form

Teleconference registration includes the lecture slides as a PowerPoint file and a PDF file, handouts as a PDF file, along with conference instructions all on a CD. An audio recording of the lecture on a CD is provided for those who select LIVE+ or RECORDED format.

ABHI Continuing Education Credits (1.5 contact hours and 0.225 CEC per teleconference) are available for organized groups participating live or listening to recorded lectures along with slides. Participants can also earn equal ABHI CE credits for listening to recorded lectures from previous years, which can be ordered through the CTHT website at www.ctht.info.
